---

# Um grandeza, várias medidas

---

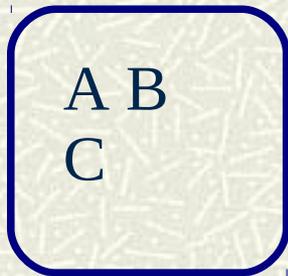

# Distribuições x índices

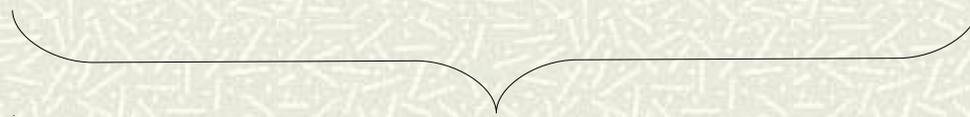

# Uma aritmética própria

---

$$3 + 4 + 5 = 8$$

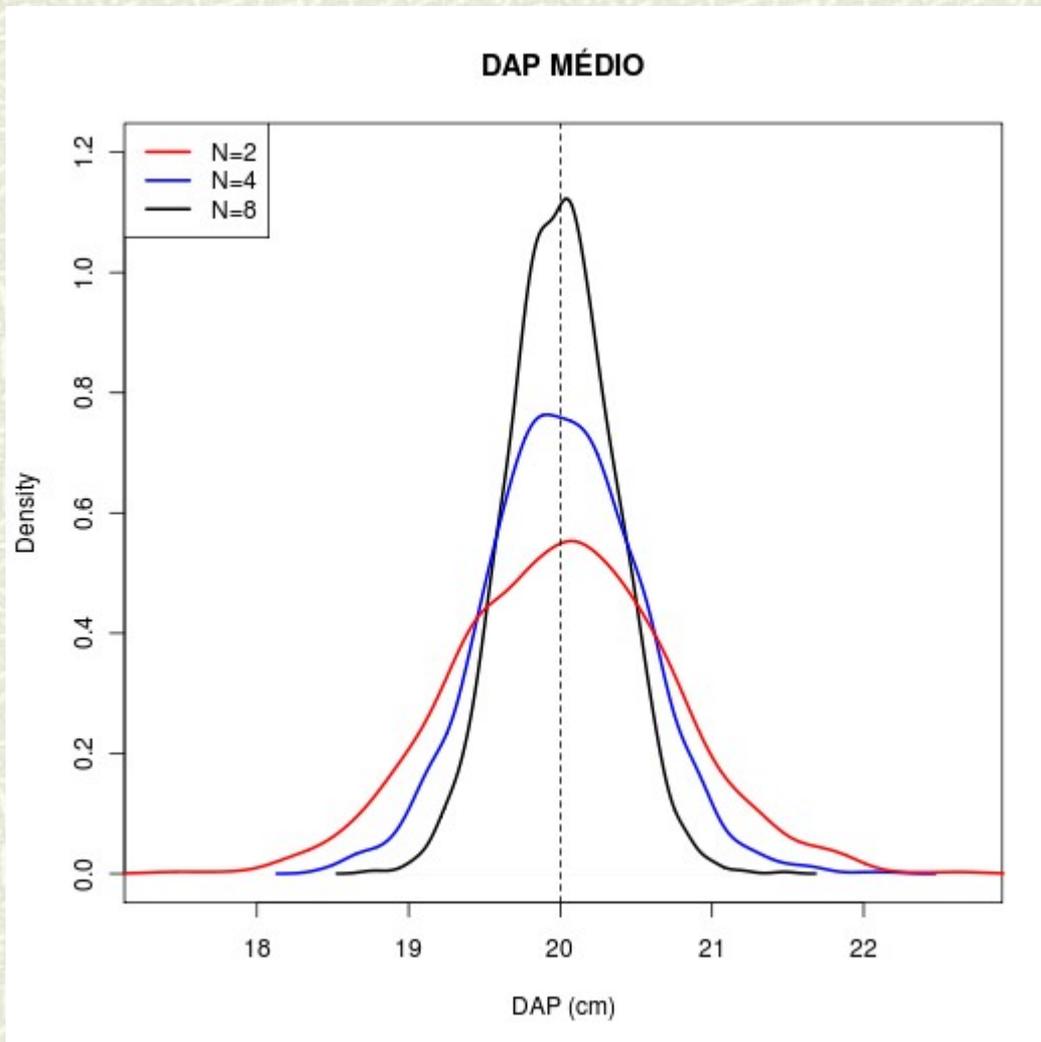

$\alpha$

$\gamma$

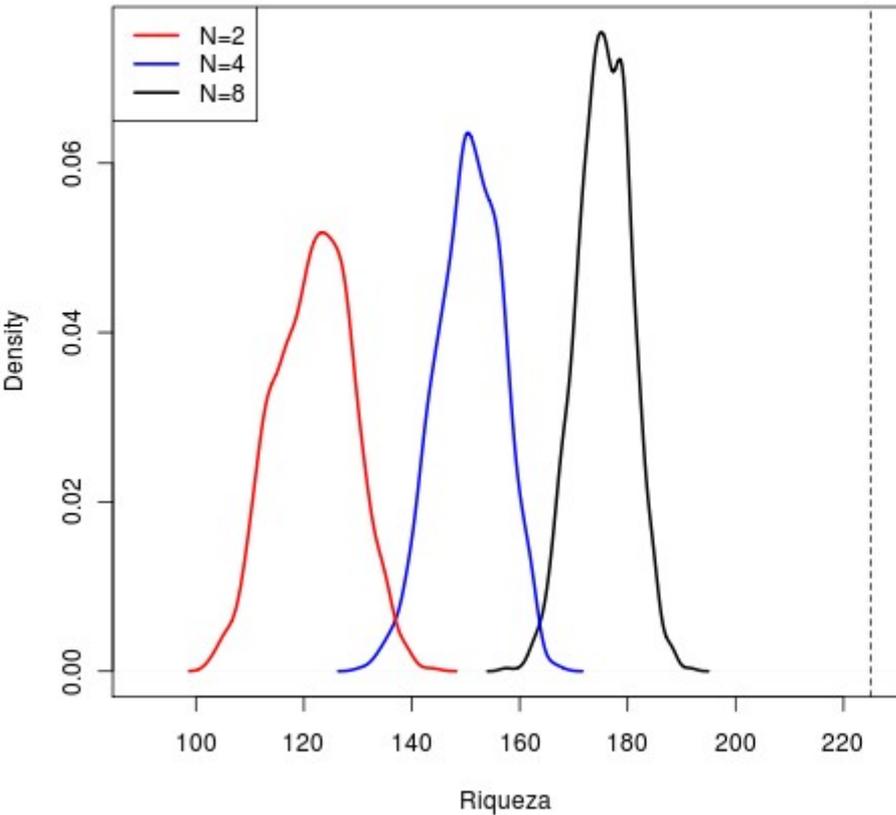

---

# Estimativa e parâmetro

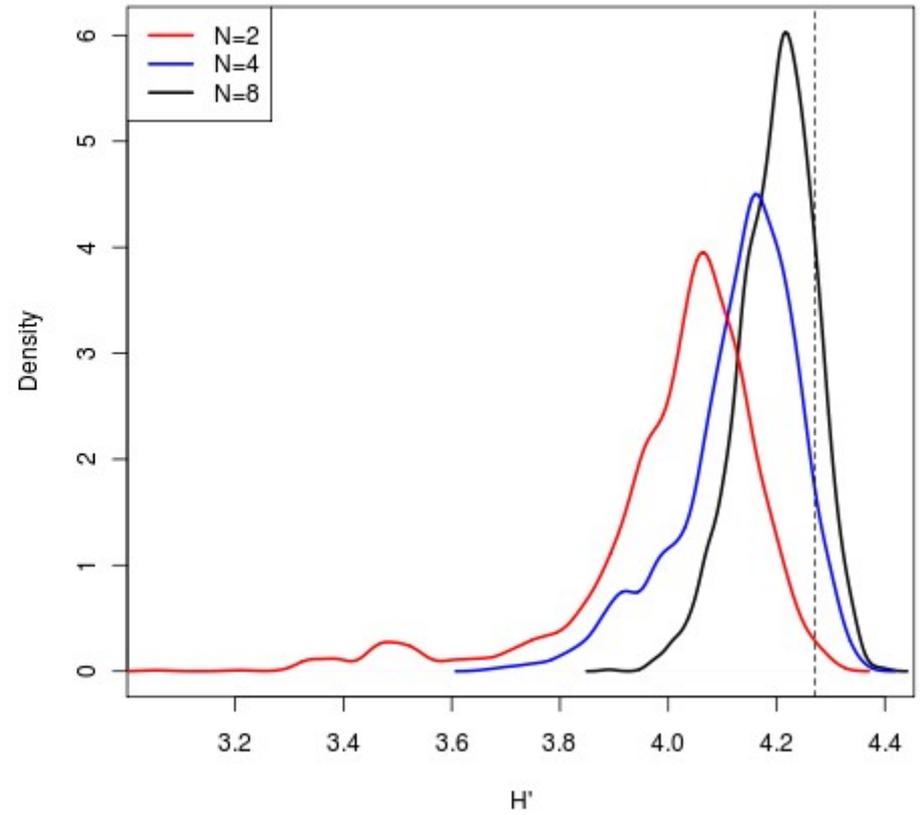

# Estimativa e parâmetro

RIQUEZA

SHANNON

# Tópicos

---

1. Distribuições de abundâncias (SADs)
  2. Índices de diversidade
  3. Estimadores de diversidade
  4. Partição da diversidade
